

As you explore the Aquarium, try to find:

1. An animal that can regrow missing limbs. \_\_\_\_\_
2. An animal that is bigger than you. \_\_\_\_\_
3. An animal attached to something else. \_\_\_\_\_
4. An animal with a hard shell. \_\_\_\_\_
5. An animal that uses special gear to breathe underwater. \_\_\_\_\_

**Every animal needs a place to live, or habitat. The Aquarium has different habitats from all over the world. Find 2 of your favourite habitats in the Aquarium and answer the questions below!**

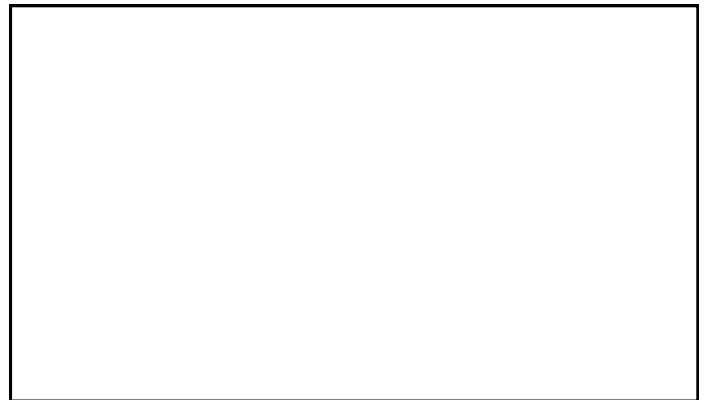

Name of habitat #1:

Draw habitat #1:

Animals that live in this habitat?

Where in the world would you find this habitat?

Name of habitat #2:

Draw habitat #2:

Animals that live in this habitat?

Where in the world would you find this habitat?
