

Match each animal to their home (*habitat*)!

Name a shark. Draw what it eats.

A large empty rectangular box with a black border, intended for drawing.

Where do sharks live?

---

What is your favourite animal you saw today?

---

What habitats can you find at the aquarium? Write two down!

A large empty rounded rectangular box with a black border, intended for writing.

Draw the habitat you liked the best, and the animals that live there!

A large empty rounded rectangular box with a black border, intended for drawing.
