Butterflyfish

Lake Sturgeon

What is coral (circle one)?

PLANT

ANIMAL

ROCK

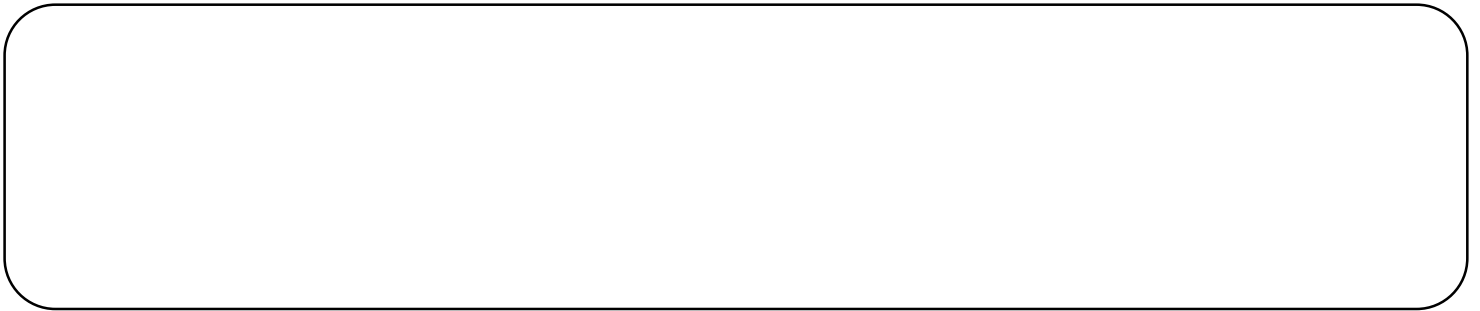

Estimate the number of fish
in RAINBOW REEF:

Do you think the coral in RAINBOW REEF and DANGEROUS LAGOON is real or artificial? Why?

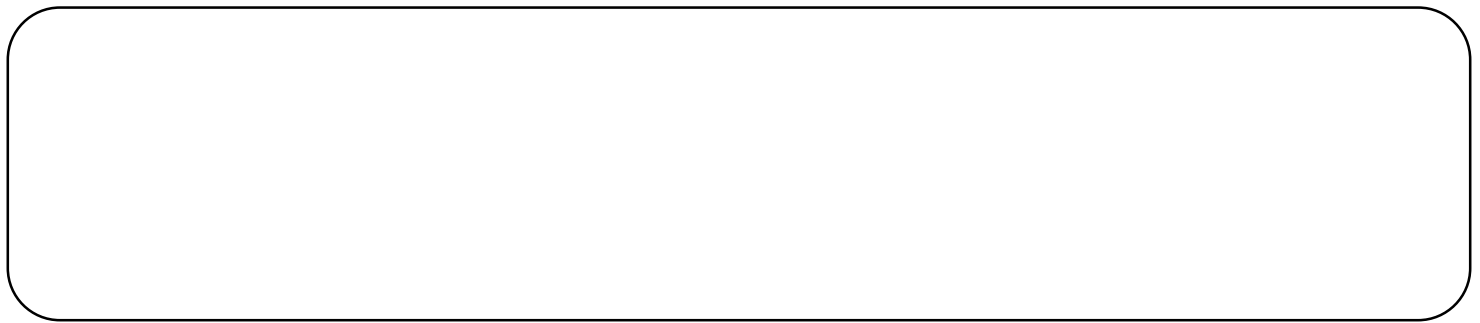

Look at the fish in RAINBOW REEF. Why do you think so many fish live near coral reefs?

CONTINUE ON OTHER SIDE →

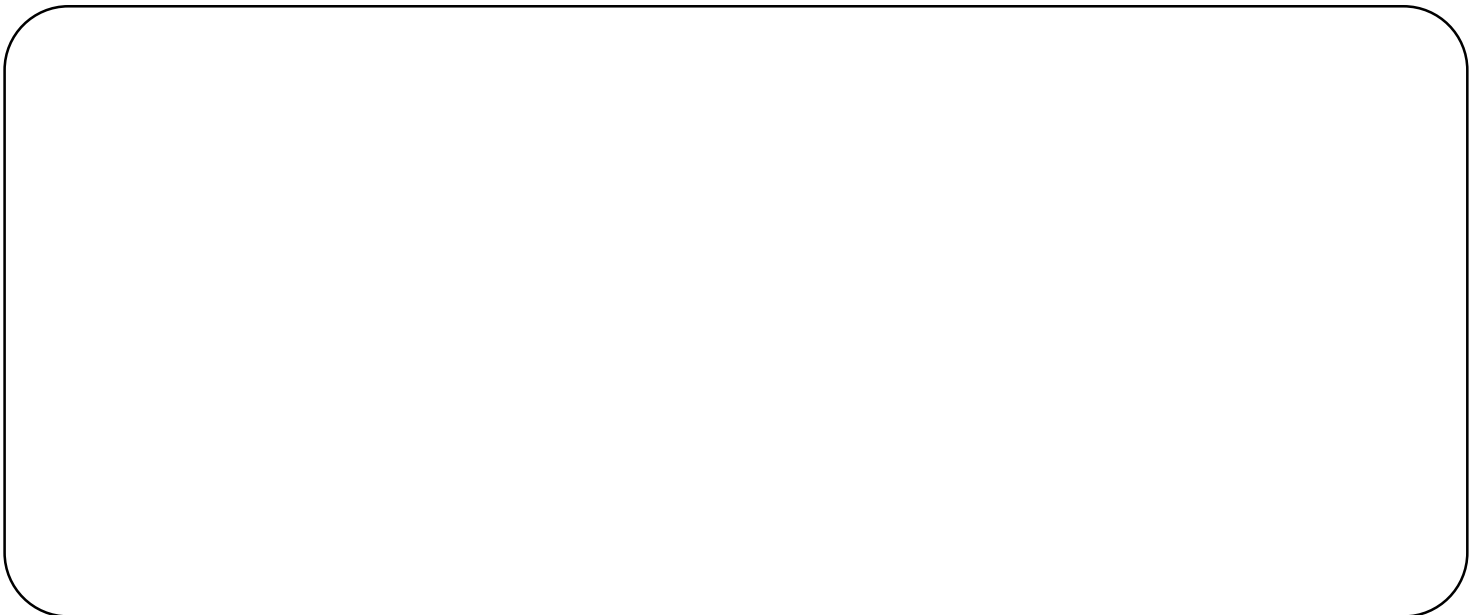

Look at LIVING CORAL for 2 minutes. What is different between the coral in this tank and the coral in RAINBOW REEF?

What are two things you can do to help coral reefs?

Draw your favourite coral or coral reef fish.
